In case we have questions about your donation To receive tax receipts and updates for Rosary makers.

2 Because donated Rosaries are used as a model for new Rosary makers, please adhere to these requirements to receiving tax credit for your All-Twine Knotted Rosary Donations:

- Only all-twine knotted Rosaries made with #36 twine (as described in our "How to Make Them" instructions) will be accepted.
- To receive the FULL value on your donated Rosary tax receipt, completed Rosaries must meet ALL of the following:
 - Be no more than 23 inches in length (including the length of the Crucifix) when laid out straight. If you have too much space between the Hail Mary knots, your Rosary will be too long. The key is to have no more than 1/8" space between each knot. As stated in the instructions, the knots must be made very tightly; and
 - Have the correct number of knots; and
 - Gave no misaligned or crooked knots. A correctly tied knot should look neat and tight. If the knot gets tangled in the twisting process, please re-do the knot.
 - Please bind your Rosaries with twine or wrap in paper when prepping them for mailing to our organization. **Please do not bag them individually** as it slows down the inspection and distribution processes.
 - Rosaries must be submitted with this accompanying Submission Form and sent to the address below.
 - All Rosaries become the property of Rosary Army Corp. for us to distribute freely to those who request one. Rosary Army Corp. will never retain money or seek profit from the sale of Rosaries. Our motto is Make Them. Pray Them. Give Them Away.
